*Setting new luxury standards  
for the condo lifestyle*

Soon to take its place as part of Toronto's spectacular skyline is what is one of Toronto's hottest new condominium communities. Located on Bay, Harbour and Yonge Streets, Pinnacle Centre will be a luxurious, new landmark on Toronto's waterfront, the latest in the portfolio of renowned B.C.-based developer Pinnacle International. With exceptional suite designs, a wealth of social amenities, and breathtaking view of the lake, Pinnacle Centre will set new standards for the condominium lifestyle.

Finished with glass and steel, the first phase of Pinnacle Centre's ultra-modern design will feature oversized floor-to-ceiling windows, and will be surrounded by landscaped gardens, which include a beautiful central courtyard. Pinnacle Centre will provide not only a great urban location, but also a private oasis for peace and relaxation.

The soon-to-be-launched first phase will offer a selection of one-and two-bedroom designs, each with the level of finishes that is only found in a super-luxury hotel. There will be beautifully crafted gourmet kitchens with modern appliances, sumptuous bathrooms and an abundance of hard-wired security and safety systems, all combining to create a truly dynamic living space.

Residents will also be able to enjoy the luxurious amenities at the exclusive Pinnacle Club. With its expansive, multi-level design, the Club will provide indoor and outdoor social, fitness, spa and meeting facilities.

Just south of the Air Canada Centre, Pinnacle Centre is closer to the lakefront, but still only a stone's throw from the heart of Toronto. The entertainment district, key sports and music venues, and some of Toronto's most exciting restaurants and bars are all within easy walking distance.

For example, Pinnacle Centre residents will be able to enjoy the many cultural festivals at Harbourfront, stroll along Queen's Quay, rollerblade along the boardwalk, or take a ferry across to the Toronto islands. They can take in a show at The Princess of Wales Theatre, The Royal Alex, Roy Thomson Hall of The Hummingbird Centre, or catch the latest movie at the state-of-the-art Paramount Theatre. Sports buffs and concert lovers will be the envy of their friends thanks to their close proximity to the skydome and the Air Canada Centre. And, few can resist the ever popular Jazz Festival which has become one of the most exciting

summer-time events on King Street.

Coupled with easy access to the transit system and the main arteries leading in and out of the downtown area, Pinnacle Centre is the place to be.
